STATUS

PhD Candidate 2014-present
Electrical and Computer Engineering
Advisor: Professor Hyoungshick Kim

in Department of Electrical and Computer Engineering, College of Information and Communication Engineering, Sungkyunkwan University, Suwon, Republic of Korea

EDUCATION

M.Sc. Telecommunication-Cryptology 2002-2005
Imam Hossein Comprehensive University, Tehran, Iran
Thesis: "Review Security Weaknesses of IPSec and Suggestions for Improving Them"
Advisor: M. Saleh Esfahani (Imam Hossein Comprehensive University) / A. Yazdian Varjani (Tarbiat Modares University)

B.Sc. Telecommunication Engineering 1996-2000
Scientific-Applied Faculty of Post and Telecommunication, Tehran, Iran
Thesis: "Designing and Implementing an Announcement System for Public Phone Systems"

RESEARCH INTERESTS

- Cryptography; Network Security
- Users' Privacy Preserving in the Cellular Networks
- Secure Emergency Messaging Systems & False Requests Detecting
- Network Functions Virtualization- NFV; Security Issues
- Geo-encryption; Secure Location Based Services

APPOINTMENTS

Telecommunication Company of Mazahdaran-TCM, Babol, Iran 2006-2014
Engineer- Management of Maintenance and Supporting

- 2011-2014: Maintenance Department of Data Transmission Networks
- 2010-2011: RF Planning and Optimization Department of Cellular Network
- 2006-2010: Operational Analyzing of Telephone Exchanges

Part Time Lecturer of Information and Communication Technology 2006-2013
Mazandaran University of Science and Technology, Babol, Iran (2013)

- Teaching course on Information Security

Allameh Amini High Education Institute, Bahnamir, Iran (2012-2013)

- Teaching courses on Signals and Systems Processing and Communication Transmission Systems

Shomal University, Amol, Iran (2006-2012)

- Teaching courses on Analogue Communication Systems, Digital Communication Systems, and Computer Programming Language

PROFESSIONAL SOCIETIES AND SERVICE

- Reviewer of:
 - Telecommunication Systems Journal- Springer
 - Computer & Electrical Engineering Journal- ELSEVIER
 - COMM2014, 10th International Conference on Communications
- Membership:
 - Iranian Society of Cryptology- ISC

AWARDS

- **The 2nd Prize for the Superior Research Award**, College of Information and Communication Engineering, Sungkyunkwan University, August 3th 2017
- **The best paper award**, DC2: The 2nd Workshop on Device Centric Cloud, 2015
- **The SKKU Scholarship for outstanding international students**, Sungkyunkwan University, 2014-2018

TEACHING

- Fall 2013: **Information Security**
Computer and Information Technology Group, Mazandaran University of Science and Technology
- Spring 2011 - Fall 2013: **Communication Transmission Systems**
Allameh Amini High Education Institute
- Spring 2011: **Signals and Systems Processing**
Allameh Amini High Education Institute
- Spring 2008 - Fall 2012: **Digital Communication Systems**
Department of Electrical & Electronic Engineering, Shomal University
- Spring 2006 - Spring 2012: **Analog Communication Systems**
Department of Electrical & Electronic Engineering, Shomal University
- Spring & Fall 2006: **C Programming Language**
Department of Electrical & Electronic Engineering, Shomal University

TECHNICAL/SPECIAL SKILLS

- **Programming:** C/C++, Python, and Pascal
- **Simulation and Math package:** Matlab
- **Languages:** English, Arabic, and Persian (native language)
